NH Students Chance to Win Big: Online Financial Scavenger Hunt

Concord, NH – In partnership with the NH Jump\$start Coalition, the NHHEAF Network Organizations is one of ten sponsors of the Get 10 Virtual Quest, a financial literacy scavenger hunt designed for students ages 14-18. Students can access the quest at www.jumpstartget10.org. Entrants with correct answers will be entered into a raffle. Ten randomly selected winners will receive a MacBook. The Get 10 Quest encourages students to research the questions by accessing helpful clues along the way.

According to NHHEAF spokesperson, Tara Payne, "The NH Jump\$start Coalition is providing a creative way for students to build a foundation for financial success. The Coalition's work complements NHHEAF's goals of preparing students for making smart financial decisions related to college and beyond. We're proud to be a partner in the Get 10 Virtual Quest."

The Get 10 Virtual Quest is one of many programs NHHEAF supports that help high school and college students make sound financial decisions. Its *Campaign for Financial Literacy* offers college campuses expert presentations and materials in partnership with Consumer Credit Counseling Services of NH/VT. Webinars, in-office workshops and free materials are also provided at no charge to New Hampshire students and parents. Details can be found at www.nhheaf.org/events.asp.
